
Requirements for college admission

FOUR WAYS TO GAIN ADMISSION TO A MISSISSIPPI PUBLIC UNIVERSITY

1

Complete the College Preparatory Curriculum (CPC) with a minimum 3.2 high school grade point average (GPA) on the CPC; or

2

Complete the College Preparatory Curriculum (CPC) with a minimum 2.50 high school GPA on the CPC or a class rank in the top 50% and a score of 16 or higher on the ACT* (Composite); or

3

Complete the College Preparatory Curriculum (CPC) with a minimum 2.00 high school GPA on the CPC and a score of 18 or higher on the ACT* (Composite); or

4

Satisfy the NCAA standards for student athletes who are “full-qualifiers” under Division I guidelines.

WHAT IF YOU DO NOT MEET THE CRITERIA?

Students who do not meet the above criteria are nonetheless eligible for admission. Such students must participate, however, in an on-campus placement process at the university of their choice. The process will determine whether the student may be enrolled in regular freshman-level courses or be required to enroll in the summer semester with mandatory participation in the Summer Developmental Program. Successful completion of the summer semester entitles the student to continued enrollment in the fall semester at the university of his or her choice.

*In lieu of ACT scores, students may submit equivalent SAT scores.
